TECHNICAL SPECIFICATION ODOUR REMOVER

Odour Remover is a highly effective enzymatic preparation that breaks down organic soil and protein-based deposits which are usually the root cause of most mal-odours. With a pleasant, lingering perfume and biodegradable surfactants, the formulation can also be used for light cleaning of surfaces and is suitable for use on soft furnishings and carpets. Particularly effective for the self-catering holiday accommodation and residential care sectors or rooms which may have poor ventilation.

Features include:

- Packaged in handy ready-to-use trigger spray.
- Ozone friendly.
- Effective at removing odours including nicotine, garlic, onions, human sweat, vomit, urine etc
- Can also be used on fabrics to eliminate unpleasant odours.
- All surfactants used are biodegradable and phosphate free.

PROPERTIES:

Appearance @ 20°C
pH (neat)
Odour
Specific Gravity @ 20°C
Flammability

SPECIFICATION:

clear, non viscous liquid
9.0
None
1.000
Non-flammable

DIRECTIONS FOR USE:

- ODOUR REMOVER is used directly from the bottle as a ready to go solution and requires no dilution with water.
- Apply directly to the affected area to break down soiling and to remove foul odours.
- Wipe to clean or simply leave to dry
- There is no need to rinse after use.
- Care should be taken to avoid breathing vapours.
- Best results are achieved when the product is used as part of a hygiene routine, allowing soil deposits to be safely penetrated and digested.

STORAGE:

Store in original container and protect from extremes of temperature. Do not store in direct sunlight nor allow the product to freeze. Shelf life (in unopened original container) is a minimum of 18 months.

SAFETY ADVICE:

Under the new GHS Standard this product is not classified. Please refer to section 2.2 of the Safety Data Sheet for more information.

PACK SIZES:

- 6x750ml per case (144 per pallet)

Order Code: HM108-6X750ML
