PRODUCT USER GUIDE

ODOUR CONTROL

A highly concentrated formulation developed to clean and eradicate mal-odours at source, especially effective in and around waste bins/refuse chutes and busy washrooms. A very versatile hard surface cleaner but also widely used as a cleaner/deodoriser for carpets and upholstery. Suitable for use in residential healthcare, housekeeping and building services operations as a daily damp wipe surface cleaner, and mal-odour treatment and leaving a long-lasting residual fragrance.

Features include:

- Effective at removing odours including nicotine, garlic, onions, human sweat, vomit, urine etc
- Can also be used on fabrics or added to carpet cleaning solutions to eliminate unpleasant odours.
- Neutral pH – safe to use on all washable surfaces
- Meets EU standards for biodegradability and phosphate free.

PROPERTIES:

Appearance @ 20°C
pH (neat)
Odour
Specific Gravity @ 20°C
Flammability

SPECIFICATION:

Clear, green liquid
6-8
Characteristic Floral Fragrance
0.995 – 1.005
Non-flammable

DIRECTIONS FOR USE:

- Dilute ODOUR CONTROL with water at 20-80:1 with water depending on application.
- **Bottle Spray:** Dilute at approx. 20:1 and spray onto surface. Wipe/Agitate to remove stubborn soil, before wiping clean with a clean cloth or paper – or leave to air-dry.
- **Bucket/Mop Application:** Dilute up to 80:1 and apply by mop or cloth, agitating to remove soiling as required.
- **Carpet Extraction Cleaning:** Add 50-100mls to the wash tank solution to freshen carpets.
- Best results are achieved when the product is used as part of a hygiene routine, to avoid heavy soil build up.

STORAGE:

Store in original capped container and protect from extremes of temperature. Do not allow the product to freeze. Shelf life (in unopened original container) is a minimum of 24 months.

SAFETY ADVICE: Refer to the **Safety Data Sheet** for full information

PACK SIZES: 2X5L case (80 cases per pallet)
