

Reload No3 Concentrated Toilet & Urinal Cleaner Descaler

Its blend of detergents and natural acid leaves toilets clean, scale-free and with a pleasant citrus fragrance. Dilutes down to a viscous toilet and urinal cleaner gel. Suitable for use on stainless steel and porcelain.

- Diluted using a Ecoshot unit.
- Fill labelled 500ml bottle with water and add to 2 shots of product to make ready to use solution.
- Each 2 Litre concentrated bottle produces 50 x 500ml of ready to use product.
- Colour code and alpha numerical.
- Reduces the use of single use plastic and empty ready to use bottles being sent to landfill.
